Response to Amendment

1. This office action is in response to applicant's amendment received on 6/20/05. Claims 1 – 15 are pending on this application. Claims 1 and 15 are independent claims.

Allowable Subject Matter

2. Claims 1 - 15 are allowed.
3. The following is an examiner's statement of reasons for allowance:

With respect to claim 1, in addition to other elements in the respective claim, the prior art fails to teach or suggest "a second synchronous memory device configured to operate in a page mode; a first memory controller configured to control data transfer operation between the first memory device and the memory bus; a second memory controller configured to control data transfer operation between the second memory device and the memory bus; and a third memory controller configured to control data transfer operation between the third memory device and the memory bus".

With respect to claim 15, in addition to other elements in the respective claims, the prior art of record fails to teach or suggest "the plurality of memory devices are controlled by an external memory controller to exchange data with an external system bus, and when one of the plurality of memory devices exchanged data with the external system bus, the rest memory devices are allowed to exchange data via the memory bus".

4. The prior art made of record and considered pertinent to the applicant's disclosure does not teach or suggest the claimed limitations. Fukuoka and Gates, taken

individually or in combination, do not teach the claimed invention of the plurality of memory devices exchanges data with the external system bus, the rest memory devices are allowed to exchange data via the memory bus, in combination with other limitations.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Prior art

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
